## **Coolbinia Amateur Football Club**

### **Best Clubman Award – Billy Peck Award**

#### *Best Clubman Award Criteria*

The Billy Peck Award is given to the Best Club Person as voted by the Coolbinia AFC Committee. Each committee member votes 3-2-1, with votes awarded to any individual within the Club deemed worthy, provided they have a non-paying role at the Club.

Generally the Best Club Person is defined as a person who has gone above and beyond the call of duty at the Club and provided significant impetus and help to many club members.

The Best Club Person was named the Billy Peck Award after long serving club servant Billy Peck, after years of his tireless work and efforts at Coolbinia Amateur Football Club.

The Bar inside our Coolbinia AFC Clubroom is actually named after Billy Peck, as part of the recognition of the Club has bestowed on the great service and time Billy Peck contributed to the Club.

Above the Bar is Billy's dearest cricket bat inscribed as a reminder of the gratitude the Club has for Billy Peck's services to the Club.
